Please Note: **Before you are able to view your accounts**, you might see two pop-ups for mobile banking and e-statement enrollment. Mobile banking allows you to transfer funds, pay bills and deposit checks with a smart phone or tablet. E-statements allows you to receive your statements electronically through online banking, eliminating paper statements. For each of these products, you will notice the following options: "Enroll", "Ask Me Later", or "Decline". These products can also be found under "Options" in online banking.

Please Note: **If you use Mobile Deposit**, please write "For Mobile Deposit to Pennian Bank only" on the back of your check under your endorsement before you submit the check.
